RE: LETTER OF INTENT TO APPLY AND SPONSORSHIP

I am writing to inform you of our intent to apply and sponsor Genesis Road Site at 2048 Genesis Road in the *Select Tennessee Sites Certification Program*. This site is located in Cumberland County and is inside the corporate limits of the City of Crossville, TN.

The Genesis Road site is privately owned and has road frontage along Genesis Road and Interstate 40. At the site this roadway is five lanes wide and is currently an industrial grade road.

The following utilities are within 500 feet of the site: electricity, natural gas, potable water, and sanitary sewer.

All correspondence and inquiries regarding this site should be addressed to Tom Thompson. This individual is authorized to represent the property through this certification process. The contact information for this person is:

- 1843 FOREMAN DR. COOKEVILLE, TN 38501
- TTHOMPSON@JSCONSTRUCTION.COM
- (931)528-7475

I have reviewed the *Select Tennessee Sites Certification Program's* Criteria and Definitions document with the property owner and they understand the requirements that a site must meet to be certified. Further, the owner is prepared to bear the necessary expense required to obtain certification of this site.

I fully recognize that this is a voluntary program. Additionally, I realize that awarding certification is at your discretion and is dependent on the qualities of the site and the materials prepared to fulfill the requirements for the program. By applying, I acknowledge that certification is not guaranteed.

Sincerely,

A handwritten signature in blue ink that reads 'Tom Thompson'.
