Mr. Wayne Harrison, District Manager
Waste Connections of Tennessee
P.O. Box 505
Crossville, TN 38557

Dear Mr. Harrison,

In a recent review of your monthly invoice to the City, I noted that the Maranatha Mobile Home Park off Sparta Drive is being billed to the City. This item was specifically noted in the latest contract in section 1.0 Definitions, 1.6 Commercial units include mobile home parks. Going forward we will not be paying this location's pickup. The owner needs to be contacted and informed that they need to make arrangements to pay you for individual pickups or go to a commercial dumpster agreement. I am sorry for any confusion, but we thought this was understood when the contract specified residential and designated municipal sites.

We are paying this month's billing, but will not do so going forward.

Respectfully,

Greg Wood
Crossville City Manager
