Agenda Items

1. Stone Memorial High School, Baseball Training Facility - Site Plan

Stone High School is proposing a new training facility for their baseball team. It will consist of new bathrooms, storage, office, and an area for indoor training. The proposed structure will be located near the existing baseball fields and dugout. New driveways and utility connections will not be required to city utility lines. They have requested a special called meeting for the review and approval of the site plan. The contractor was under the impression that the engineer/architects had already gotten approval. They had not and they are wishing to get a majority of the building constructed before the start of school in the fall.

Kevin Poore asked that it be noted in the minutes that he had spoken with the contractor and advised him to ask for the Special Called meeting due to the special circumstances and timing on this project.

A motion was made by Mayor Pro-tem Rob Harrison, seconded by Kevin Poore, to approve site plan. The motion carried by the following vote:

Aye: 6 - Atchley, Tabor, Chairman Moser, Mayor Pro-tem Harrison, Headrick and Poore

Absent: 1 - Mayor Crawford

Adjournment

A motion was made by Mayor Pro-tem Rob Harrison, seconded by Kevin Poore, to adjourn the meeting at 12:39 p.m. The motion carried unanimously.
