

Cumberland County United Fund 2017 Campaign Goal - \$400,000

Fifty years ago the United Fund of Cumberland County was chartered to provide for the needs of our community. That first year we supported 14 local non-profits; and today we support 33 partner agencies. With our founder's dedication, boldness and optimism the 2017 Goal is set at \$400,000 to support the work of local non-profit organizations. We trust that you want to be a part of this 50th Anniversary Year of celebration, remembrance, rededication and growth. You can be assured that your donation stays local as we are NOT affiliated with a national organization.
