

ISAAC SMITH

“Student of the Month”

OCTOBER 2013

Second Grade student Isaac Smith was nominated for the character trait **“responsibility”** because “he always accepts responsibility for his learning and works very hard in school and beyond. Isaac is a fine example for taking responsibility of helping others in need on a regular basis. For these reasons, we are proud to nominate Isaac Smith as Martin Elementary’s Student of the Month for the character trait of responsibility.”

OCTOBER IS “RESPONSIBILITY” MONTH

“Accountability for actions, duties, promises, and the common good.”
