Subject: Annexation of Phase 8-3

Kevin,

Please set the annexation of Phase 8-3 in front of the commission as soon as possible. Base eht annexation on the Exhibit provided by TARE please.

Guess we will now need to pay for a special meeting of the planning commission if we can not get everything done in time for the August meeting. We have folks already wanting to build on those lots and have committed to 4 already.

I am back in town today and will be able to come up and sign any paperwork and give you any funds you need.

Respectfully,
