To Whom It May Concern:

RE: Sole Source Certification

This letter is to confirm that United Systems & Software, Inc., Benton, KY, is the sole authorized Itron distributor for water endpoints (ERTs) within the state of Tennessee.

As a distributor, United Systems supplies not only water endpoints, but also the full line of data collection software, cloud subscription services, handheld & mobile reading equipment along with the gas endpoint product family. In addition, United Systems is Itron-certified for product and service delivery related to the Itron Temetra, FCS, Cellular AMI, Gen5 AMI and ChoiceConnect AMI systems.

You may contact Account Manager, Kyle Deering or Region Manager, Will Taylor for local support of your Itron AMR and AMI needs.

Sincerely,

A handwritten signature in black ink, appearing to read 'Brian R. Boyd', with a horizontal line extending to the right.

Brian R. Boyd Vice President
United Systems & Software, Inc.
