**RE:** Grinder pump annual bid

Due to the increase of materials and shipping, the companies that have been awarded the annual bid for grinder pumps have informed me they are unable to honor the annual bid prices. The rise in cost per company is as follows:

	<u>2021-22 Annual Bid</u>	<u>New Cost</u>
Water & Waste Equipment	Hydromatic \$3,698.00	\$4,972.00
Field's Engineering	Liberty \$3,716.00	\$4,479.15

	<u>Cost difference per unit</u>
Water & Waste Equipment	\$1,274.00 per unit (March only)
Field's Engineering	\$763.15 per unit

Water & Waste Equipment informed me the price of \$4,972.00 is good only for the month of March. The price will be increased again in April to \$5,097.00.

The above prices are still at an order of 10 units per order and not set.
