

Dear Members of the City Council,

My name is Bryan Srock and I am the landowner of 468 Meadow Creek Dr. I am writing to formally request permission to extend a waterline to the end of Meadow Creek Dr.

Due to a lack of current water service and access to clean water, I am seeking approval to extend the existing municipal waterline to ensure access to reliable and safe water.

I would greatly appreciate any assistance the City Council can provide in reviewing and approving this request. I am happy to provide additional information that may be needed.

Listed below are other property owners that would benefit from the extension of city water.
