

Petition to Name the Eastern Blue Bird as the Bird for the City of Crossville, TN

Dear Mayor Mayberry,

Many of our city's residents are bird watchers and bird lovers. There are many good birding trails in the city and we have noticed that the city does not have an 'official' bird. We are asking that you and the City Council name the Eastern Blue Bird as the 'Bird for the City of Crossville, TN'. Attached you will find signatures collected in support of our request.

Sincerely, *Paul Skyles*
