Subject: Crossville Closed Landfill - Recent TDEC Letter
Attachments: Letter from Doug Brady about Sampling Program 9-3-2015.pdf

Mr. Begley,

As discussed in my previous email, TDEC is requiring additional testing beyond the normal Appendix I parameters. We can provide the additional test as necessary on a unit rate charge per test. The current list of test we have performed at other site and rates are as follows:

Dissolved metal for Appendix I metal list, per sample	\$195
Laboratory Filtering, per test	\$15
Turbidity Analysis, per test	\$50
Chloride Analysis, per test	\$42
Laboratory pH, per test	\$8.50
Ammonia, per test	\$45.00
Additional laboratory testing, per test	Cost+15%
Consulting time for TDEC inquiries or other task beyond sampling and statistical analysis, per hour at standard rates	

If I can be of any assistance please feel free to contact me.

Sincerely,

Environmental & Civil Engineering Services

Chuck F. Burgess, P.E.
