RE: Map 127 Lot 080.01

E-911 Address: 187 Bob Tollett Loop Crossville, TN 38555

This is a formal request for annexation to the City of Crossville.

The purpose for this request is to have the ability to connect to City of Crossville Sanitation (Sewer). I understand that city sewer is located directly at the front of the property.

Intent for the use of said property is to have 6-10 RV Campsites as space permits.

Due to the geography of said property only the flat area at the top of the lot (East side) will be used approximately .33 -1.0 Acres. The remaining area will be cleaned and maintained as a natural habitat.

Should any questions arise you are welcome to reach out to me at any time.

With kindest Regards,
