Agenda Items

1. The Gardens Phase VI Lot 11 - Side Setback Variance Request

The property owner is requesting a side setback variance of 5-feet. The current setback is 15-feet. This would reduce the side setback to 10-feet. Side setbacks for standard lots are 10-feet with zero lot line lots being 15-feet. Throughout Phase VI of The Gardens, the developer used the standard setback of 15-feet for their zero lot line parcels. Since then, the developer requested and has been granted a variance for the side setbacks to be 10-feet.

A motion was made by Kevin Poore, seconded by Gordon Atchley, to approve the side setback variance. The motion carried by the following vote:

Aye: 4 - Atchley, Tabor, Mayor Pro-tem Harrison and Poore

Absent: 3 - Mayor Crawford, Headrick and Wood

Adjournment

A motion was made by Kevin Poore at 1:27 p.m., seconded by Gordon Atchley, to adjourn the meeting. The motion carried unanimously.
