Request for Annexation

On September 25, 2020 Eldridge Properties purchased two adjoining Lots on Lantana Rd. here in Crossville. These Lots are identified as **Map:126 Parcels: 023.00 & 023.01** (also know as **1997 Lantana Road**). Please see attached property data sheets.

We are requesting that the City of Crossville annex both of these Lots into the city limits. Our hopes and plans are to develop these 6.5 acre tracts into residential housing. We would also request that these residential houses be able to access the City Water, Sewer and Trash services.

Please let me know if you need additional information from us or if there is any thing else that we need to do at this time for this request to be possibly granted. I can be reached at the above number or email address.

Thank you,

Brad Eldridge
