---

Hey, this is Coach Stuart Bowen from CCHS Track. We are hoping to do a 5k Fundraiser on Saturday, February 9th Beginning at 10:00 A.M. Our route would be a unique one, which travels mainly on paved sidewalks, parking drives, and parking lots on the Martin and CCHS campus and surrounding areas. We will only have one roadway crossing. Our roadway crossing on the proposed route would be at the crosswalk that runs across Stanley Street and is parallel to Miller Avenue (**560-576 Stanley St.** 35.942639, -85.034212). As that is roughly 1.8miles into the race, it would need to be closed for no more than 1 hour. This event would serve as our primary community fundraiser and is extremely important for us to have due to our track being closed and the increased expenses in having all away meets this year. With respect to the prior approved routes, we do not feel it appropriate to fundraise and run a 5k directly in front of the other school.

Attached is a rough mapping of the course. If you have any questions, please feel free to email, text, or call me anytime.
