Mark Moore:

August 1, 2023

Your driveway has 3 or more structures on it and needs to be assigned a road name. This will be a private road; therefore we leave it up to the property owner or owners to come up with a road name for their driveway. Whenever we have 3 or more structures on the same driveway and it doesn't have a road name, it is very confusing to our emergency responders. Please fill out the bottom of this form and mail back to our office. If we do not receive this letter back in our office in 7 business days we will have no choice but to name your driveway ourselves. All property owners on this driveway must be in agreement and sign this form.

Road Name Suggestion:

1. WHISPER WAY 2. BRILLMORE DR. 3. SERENDIPITY LANE

Signature of property owner or owners:

JD Burgess, Pres. UNIVERSAL SAUKES CORP.
[Signature]

Thank you for your cooperation.

Sheila Hawn
