Crossville City Council:

I am requesting permission to close North St. and 5th St. between West Ave. and Rector Ave. on Saturday, July 9 from 9am-11pm for The Chop Shop's annual community block party. I have already spoken with all the surrounding businesses that will be affected by this closure and I have their complete cooperation. This will be our 4th year of hosting this community event and we would greatly appreciate your approval.

Thank You

Samantha Reed
