The City Manager may request, and the City will not unreasonably refuse to provide in appropriate situations, independent legal representation for

the City Manager at the City's expense. Legal representation provided for the City Manager will continue until a final determination of the legal action including any appeals brought by either party. The City will further indemnify the City Manager against any and all losses, damages, judgments, interest, settlements, fines, court costs and other reasonable costs and expenses of legal proceedings, including reasonable attorneys fees, and any other liabilities incurred by, imposed upon, or suffered by the City Manager in connection with or resulting from any claim, action, suit, or proceeding, actual or threatened, arising out of or in connection with the performance of his duties, unless the act or omission involved willful or wanton conduct. Any settlement of a claim against the City Manager must be made with prior approval of the City in order for the indemnification as provided in this Section to be available.

(b) The City Manager recognizes that the City will have the right to compromise and settle claims and litigation and, unless the City Manager is a party thereto in which event any such compromise and settlement will require the approval of the City Manager, the City may compromise and settle any claim or litigation unless such compromise and settlement is of a personal nature to the City Manager. The City will pay all reasonable litigation expenses incurred by the City Manager throughout the pendency of any litigation to which the City Manager is a party, witness or advisor to the City. The City's obligation to pay such expenses will continue beyond the City Manager's employment with the City as long as the litigation is pending.

(c) After the City Manager's employment with the City terminates, the City Manager, if requested to do so by the City, will assist the City in any litigation involving the City, including returning to the City if requested, to testify or otherwise participate in such litigation. In such event, the City will reimburse the City Manager for reasonable expenses incurred by him for travel and subsistence and will pay the City Manager reasonable compensation for his post-employment services for the City.
