Hello Mr Wood,

The Crossville Hawks are a local group of 12 year olds who have been playing the game of baseball together for 4 years now. After a lot of hard work and determination, it has finally paid off in a Cal Ripken 12U State Championship! We would like to thank the community for their support last weekend and for making it possible to host and bring home the trophy in front of our home crowd! A special thanks to Mayor Mayberry for making time to throw out the first pitch for the opening ceremonies. The Hawks went 5-0 in the tournament scoring 66 runs while only allowing 2. We have now qualified for the Regionals in Glenn Allen, VA July 12th-17th and could use some help to get our boys and their families there. Any help from the City of Crossville would be greatly appreciated and would mean so much to our Hawks!
