RE: 2018 Annual Inflation Adjustment of the Financial Assurance for the *City of Crossville Sanitary Landfill*, Permit No. **SNL180000206** as required by the Regulations of the Division of Solid Waste Management

Dear Mayor Mayberry:

**All county and municipal "Contracts in Lieu of Performance Bonds" must be adjusted annually for inflation by no later than the anniversary date of the issuance of the contract.**

Rule Chapters 0400-12-01-.06(8) and 0400-11-01-.03(3) state that the inflation adjustment may be made by recalculating the closure and/or post-closure cost estimate in current dollars or by using an inflation factor derived from the most recent Implicit Price Deflator for the Gross National Product published by the U. S. Department of Commerce in its Survey of Current Business.

The staff of the Division of Financial Assurance & Business Process Improvement, utilizing data published by the U. S. Department of Commerce, has projected the inflation factor to be used for **2018** inflation adjustments as **1.80%**. The amount of your financial assurance instrument(s) from the **Year 2017** must be multiplied by **1.0180**. The permitted facility and/or the Department may reserve the right to adjust this figure later based upon revised data released by the U. S. Department of Commerce during the year.

**Effective immediately, any County or Municipal Contract in Lieu of Performance Bond incurring an annual inflation adjustment shall not be processed by amendment until the cumulative amount of the adjustment(s) equals or exceeds TEN THOUSAND DOLLARS (\$10,000.00). This is a change from the previous threshold of Five Thousand Dollars (\$5,000.00). For example, if the inflation adjustment is \$4,000.00 in year one, \$5,000.00 in year two, and \$6,000.00 in year three, the amendment will be processed in year three when the total of adjustments exceeds \$10,000. We will continue to send your inflation adjustment figures annually for your records whether or not a contract amendment is required.**

Please review the amount(s) for each permit listed below. If any changes or modifications to your permit(s) have occurred, please contact us as soon as you receive this letter. The due date(s) and projected amount(s) for the inflation adjustment(s) of your financial instrument(s) are as follows:

**2018 Inflation Adjustment(s)**
