

Crossville Housing Authority
Mayor's Green Partner

July 2012

The Crossville Housing Authority receives the Mayor's Green Partner Award for its many efforts to provide affordable housing for our community.

The City of Crossville honors the Crossville Housing Authority for its nationally recognized leadership in public housing and for the many services it offers public housing residents to increase their self-sufficiency. The sustainability of the City of Crossville grows as more of our residents have access to safe and affordable housing within a caring community.

Sustainability

Sustainability meets the needs of those now living in Crossville without compromising the ability of future generations living in Crossville to meet their needs.
