Council Members-

The TAD Activity Center is planning a 5K Run as a fundraiser for our agency's community drug-free efforts. The Reindeer Run will coincide with other youth & adult activities planned for later that same day at the center. The proposed date is Saturday, December 14th, 2013 with the 5K scheduled for a 9 A.M. start time. We are hopeful of using the center, located at 261 Yvonne Ave., as the both the start and ending points for the event.

Please consider the attached proposed run route for acceptance. We have met with representatives from the city's police, street and planning departments regarding the road closures that would be involved in conducting the event.

We certainly appreciate each of your service and dedication to our fine city. Please don't hesitate to call (931) 456-2859 with any questions or concerns that you may have.

Respectfully submitted,

*L. Shane Wyatt*
