This Resolution was approved as recommended.

e. Approval of Local Parks and Recreation Fund (LPRF) letter of intent and grant application

The City Manager is requesting to submit a letter of intent and to apply for a Local Parks and Recreation (LPRF) grant. The City's Master Parks and Recreation Plan will need to be updated to reflect the addition of the proposed playground equipment. This grant is a 50/50 match.

This Resolution was approved as recommended.

f. Discussion and action regarding Downtown Traffic Signal Replacement

A contract for full engineering and construction administration has been recommended for the traffic signal replacement at Fourth Street and South Main Street and First Street and South Main Street.

The cost for the engineering is \$97,500. Based on current estimates, the construction cost will not exceed \$1,050,000 based off of the recent construction cost of the Lantana and Main Signal Replacement project.

The proposal is for City funding only and indicates that construction plans could be

produced in about 3.5 months, but TDOT's review and approval could extend this time frame.

This Contract was approved as recommended.

- g.** Approval of contract amendment regarding Hwy 127 North Phase 2 utility relocation Near Potato Farm Road to near Hollow Lane (PIN 100260.03)

The City currently has a contract with Hussey Gay Bell for the design and construction administration for the Hwy 127 N utility relocations. The amendment will provide surveying services including easement descriptions, parcel maps, and calculation of easement value based upon current City procedure.

This Contract was approved as recommended.

Bids/Purchases

- m. Approval to purchase Lifepack Cardiac Monitor/Defibrillator

The Crossville Fire Department requests approval to purchase a Physio Control Lifepack Model 35 Cardiac Monitor/Defibrillator package. The cardiac monitor defibrillator package will improve the Paramedics and AEMT's ability to treat patient's suffering from cardiac conditions. In addition, the unit will be capable of transmitting the patient's 15 lead EKG to the hospital medical staff prior to the patient's arrival allowing doctors to diagnose potential life ending heart attacks even before the patient arrives to the emergency room. This unit will be the same model used by Cumberland County EMS which will increase proficiency and treatment. The unit was not on the market at the time of budgeting and comes in a bit higher than anticipated. There is \$55,200 in Line item 42200-940-006, and the total cost with the procare annual service plan is \$64,373.57. A budget amendment is necessary.

This Bids/Purchases was approved as recommended.
