Subject: Clarification of Submitted Bid

Don – TEG’s bid includes a supervisor and a technician. Our supervisor shall oversee the City’s equipment operator utilize the City’s track hoe to demolish the remaining building at 153 Livingston Rd. Crossville, TN. Then our supervisor shall utilize a rented backhoe to separate the asbestos contaminated roof debris from the CMU block wall debris. The City’s operator shall load the non-asbestos CMU blocks into a City provided dump truck to transport to the airport. TEG’s supervisor shall load the asbestos contaminated debris with the rented backhoe into lined dumpsters to dispose as asbestos debris.

If you have any questions, call me anytime to discuss further.
