I appreciate your help with the process for changing a road name. Per your instructions, please consider this my request for the name change of Mariners Pointe Drive to Pointe Landing. Mr. Mark Moore, the new owner of the hotel property, and myself, the new owner of the condos located on Mariners Pointe Drive, own the only properties fronting on this street and would like to change the name since the resort will no longer be called Mariners Pointe. Mr. Moore and I are in agreement with the name change to Pointe Landing. I have also confirmed this new road name is available with Sheila Hawn at the E911 addressing office.

If there are any special called meetings we would like to get on those agendas to expedite the name change please. Will you let me know when it is placed on the agenda for a meeting? Please let me know if you have any questions. Thank you again for your help.
