Application for Downtown Use

Crossville Cruisers would like to submit this application for the purpose of holding the Downtown Cruise In Shows the Fourth Saturday of every month from April through October. (See attached date sheet)

Crossville Cruisers will supply insurance of \$1,000,000.00 coverage. We would like to request 2 officers from the City Police ; one for each end of Main Street and from Crossville City Works; the barricades to close Main Street off as we have done in 2013.

We request that Children's Bounce Houses not be permitted on the premises on these dates.

Food and Vendors will be permitted by contacting one of the Crossville Cruisers listed here:

Jim Stamps 931-287-3087

Billy Frazier 931-261-3610

Crossville Cruisers will be responsible for cleaning/picking up Main Street at the end of each show. We will put out and collect the Trash Receptacles as previously agreed.

We appreciate your approval of our shows in the past and hope to continue our shows on Main Street.

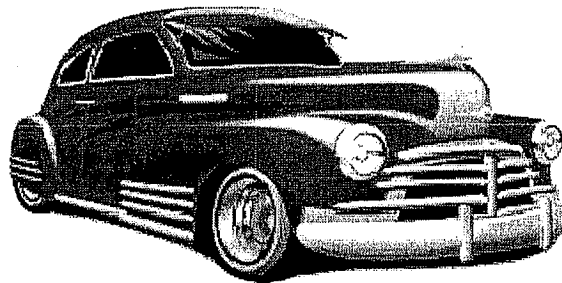

Thank You,

Billy Frazier

Crossville Cruiser Representative
