City of Crossville

Valerie Hale, City Clerk

Crossville, Tennessee 38555

I currently own a lot on Tulip Drive, just outside the city limits of Crossville. There are houses on either side of this lot, and it is located within 300' – 350' of lots that are currently connected to city sewer. I would like to build a house on the lot for resale, however, the lot has a drain/swag in the center, which creates a challenge for installation of a subsurface septic disposal system.

The lot is located between Bob White Drive and Carriage Drive, both of these streets have public sewer service in place. The lot fronts on Tulip Drive, and the existing street (Tulip Drive) is paved, with electrical service and utility water available at the street.

I am requesting the City of Crossville annex this lot for purpose of providing public sewer, or possibly consider outside city sewer service.

The lot information is Cumberland County Tax Map 112D Group I parcel 011.00, Lot #11, Colonial Estates.

Thank you for your consideration regarding this request.

Sincerely,

Joe Lowe
