Honorable Baylee Rhea
Crossville City Clerk

Dear Ms. Rhea,

My husband, LeRoy Hammond, and I would like to request annexation into the City of Crossville. We live at 226 Tulip Drive and at the time of this letter, our property is attached to another property that was recently annexed. Also, we are surrounded by other property within the City limits.

We are aware of the cost involved and still feel this is for our best for the future.

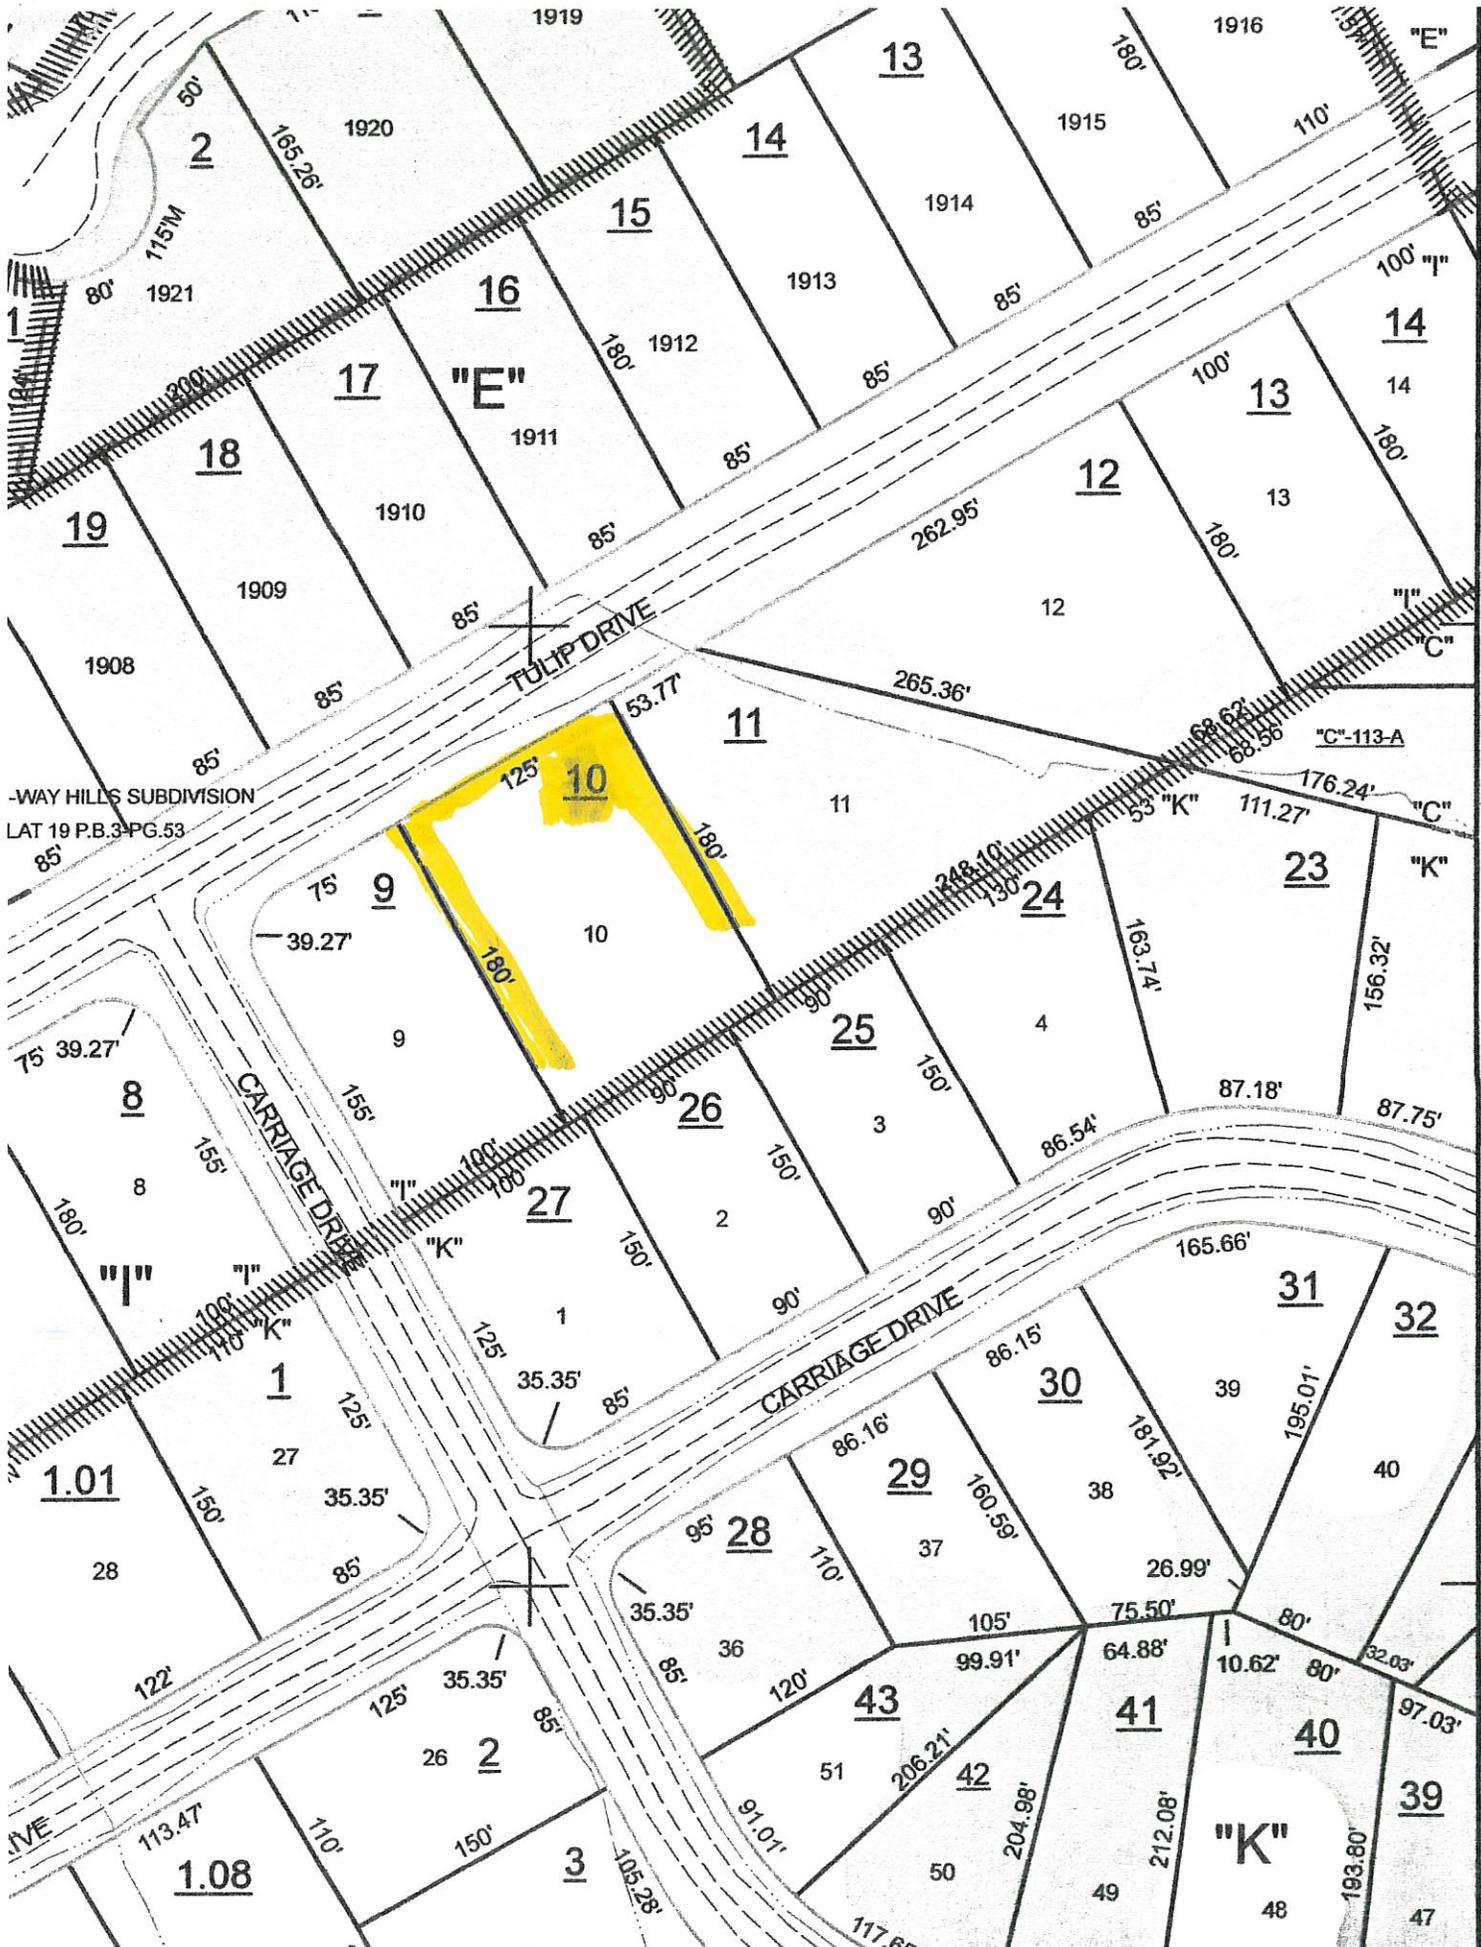

Thank you for our consideration.

Sincerely,
LeRoy Hammond
