City Clerk

392 N. Main St

Crossville, TN, 38555

Dear Ms. Hale

We would like to request to be on the agenda for the December 7th 2021 City Council Planning Meeting.

We would be asking that the Crossville Cruisers be allowed to hold there cruise ins again in 2022

The dates for closing the streets would be as follows, April 23rd, May 28th, June 25th, July 23rd, August 27th, September 24th, and October 22nd. Closure time would be 12:00 noon till 4:00pm.

We are also requesting the possibility of the Airport Open House be moved from the 4th Saturday in September to allow our Cruise in to be held.

If the Airport open house could not be moved to another day in September we would cancel our Sep cruise in.

We would ask that the streets be blocked off from Lantana/70E to 5th Street. We would ask that only block the streets at Main St, leaving the side streets open for business parking. The only exception would be at E4th St. where we would request it be blocked off at Thurman Ave.

Please advise and thank you in advance.

Sincerely yours,

Bobby J. Ross
