

September 21, 2018

Estimate #8851

City of Crossville
376 Sparta Highway
Crossville, TN 38572

REF: Main Station Patterson Pump #1

Allen,

WASCON is pleased to offer the following proposal for you on the above referenced project. Please see the specifics below

1-Lot of Mileage, Labor and Material for Pulling, Teardown, Cleaning, Machine Work, Repair and Install

PRICE: \$4,900.00

NOTES:

1. WASCON standard terms and conditions apply.
2. Quote is based on the first pump repair if any changes are needed to be made when we get this pump will revise the quote at that time if needed.
3. Freight or any applicable taxes are not included.
4. Quote is valid for 60 days.

If you have any questions, please feel free to give me a call.

Thanks,

James Parsons
WASCON Inc.
