

Agreement for Retirement of Canine Arlo

This agreement is made this _____, April 2018, between the Crossville Police Department, City of Crossville Tennessee and Officer Camden Davis. Officer Camden Davis has agreed to adopt and maintain Canine Arlo which has been his partner for several years. Canine Arlo has been trained to work with Officer Davis and to partner with him only and is retiring due to medical issues.

Officer Davis understands and agrees that Canine Arlo once retired is no longer eligible for work as a canine officer and that once retired may not be activated or nor certified to work as any type of canine officer again at any time in the future and may not be reactivated under any other department or police force, etc.

Officer Camden Davis agrees and understands that Canine Arlo, once retired has no value to the Crossville Police Department or the City of Crossville. Canine Arlo must remain cared for after retirement and kept healthy. The best means to accomplish this is to allow Canine Arlo to be adopted by Officer Davis and kept as his personal pet.

Signed:

Chief David E. Beaty

Officer Camden Davis
