10-27-15

Council Members-

The TAD Activity Center is once again planning a 5K Run as a fundraiser for our agency's community drug-free efforts. The Reindeer Run will coincide with other youth & adult activities planned for later that same day at the center. The proposed date is Saturday, December 12th, 2015 with the 5K scheduled for a 9 A.M. start time. The TAD Center, located at 261 Yvonne Ave., will be used as both the start and ending points for the event.

Please consider the attached proposed run route for acceptance. We have used this route the previous two years, and the city's police, street & planning departments are aware of the road closures that will be involved in conducting the event.

We certainly appreciate each of your service and dedication to our fine city. Please don't hesitate to call (931) 456-2859 with any questions or concerns that you may have.

Respectfully submitted,

L. Shane Wyatt
