Kenneth Carey, Jr.  
Cumberland County Mayor  
Two North Main, Suite 203  
Crossville, TN 38555

Dear Mayor Carey:

As you are aware, the Crossville-Cumberland County Chamber of Commerce met last evening and would like to offer our complete support for the proposed "**Shooting Sports Park**" to be located here in our community. This proposed park would offer yet another tourist destination for the attraction of visitors and be a perfect match for our Cumberland Mountain State Park and the Big South Fork National River and Recreation Area.

The Chamber recognizes the commitment of both Cumberland County and Crossville City governments to come together in partnership to even make this project a possibility. We also applaud your own personal efforts to bring shooting sports to this area and the youth of this community. Our youngsters are competitive in these sports and it is only through your time and the time of others that bring a valuable lesson for others to admire. Proper firearms safety is important for everyone to learn and that will clearly be available through this new facility.

The Board also noted that having a shooting sports park as you have proposed would be filling a void in Middle/Eastern Tennessee that now exists. One Board member who devotes her family time to driving many hours to youth shooting competitions was pleased to lead the task in presenting this to the Board and without any opposition-the Board unanimously offered our resolution to stand behind this idea-100%.

Please let me know if there is anything more our Chamber can do to assure this vision become a reality.

Sincerely,

J. Bradley Allamong  
President/CEO

Crossville-Cumberland County Chamber of Commerce
