RE: Retirement of Canine Mojo

Chief Brooks, the time has come to retire Canine Mojo, and to obtain a replacement for him. Mojo is nearing the end of his working ability as canine. Mojo is 10 years old and most dual-purpose canines are retired between the age of 7 and 9. He has served the Crossville Police Department very well and has been a pillar of our program.

I recommend he be retired in October 2019, and that Lieutenant Dustin Lester be able to keep his partner Mojo, as his personal pet after retirement.

Sincerely,

Deputy Chief. Chris Kendrick #5502 K-9
