Re: Crab Orchard School Building Projects / Inspection Fees

On behalf of the Cumberland County Commission, I would respectfully request that the City of Crossville waive all Inspection fees associated with the upcoming Construction Project of the New Crab Orchard Elementary School. As you know the City of Crossville and Cumberland County fund the Operation of schools thru local taxes and the State of Tennessee will also be Inspecting this project.

Consideration and Approval of this request would be greatly appreciated at your earliest convenience and Please feel free to contact me with any questions.

Sincerely,

Kenneth Carey, Jr.

Cumberland County Mayor / Chairman Cumberland County Commission
