

## ***Cumberland County***

### ***Three-Star SMART Goals 2021***

#### **SMART 1:**

To promote workforce development, implement a new aviation program in the community's high schools, promote existing community resources for the workforce and educational funding opportunities for continued education, develop and distribute a resource packet for new businesses, and integrate existing workforce development efforts into a cohesive, active team.

#### **SMART 2:**

To improve and expand community event opportunities, create a county recreation plan while reviewing and revising as needed the City's recreation plan and parking study, develop an overflow parking strategy for downtown and other events, and explore funding possibilities for a community event center.

#### **SMART 3:**

To expand and enhance ongoing efforts to create a greenway, partner with key stakeholders to review greenway plans, identify section of plan for improvement and/or expansion for walking and biking, complete the identified by utilizing current and new resources, and develop a plan for parking and signage.
