Dear Ms. Hale

The following is being submitted for inclusion as an agenda item for the November 5th 2019 City Council Planning Meeting.

The Crossville Cruisers would like to request Main street be closed for the up coming 2020 downtown cruise in season. The dates are as follows, April 25, May 23, June 27, July 25, August 22, September 26, and October 24th. Closure time would be 12:00 noon till 4:00pm.

We would also like to discuss the possibility of expanding the street closure back to where it use to be. We had so many cars this year that we overflowed on to the side streets behind the barricades.

Sincerely yours,

Bobby J. Ross
