Please read and review the following:

### Terms and Conditions of the Service Plan:

1. Micro-Comm, Inc. shall be liable only for the cost or repair of any Micro-Comm manufactured equipment including radio, power supply, batteries, RTU and CTU Battery backup units, relays, phone dialers; light bulbs, external modems, MC L5A and Keller Well Transducers, Minco sensors, relays, and associated equipment required for system operation as designed (see below #6).
2. In the event of equipment failures or equipment damaged by lightning. Micro-Comm will supply troubleshooting, using phone and internet log in to determine parts necessary to complete repairs and return system to previous level of operation. Parts will be shipped by the quickest method available to job site. Customer shall supply labor for removal and installation of equipment at customer's premises. Return of defective equipment to Micro-Comm is customer responsibility.
3. In the event exact replacement parts are no longer available, Micro-Comm will (at its discretion) replace the existing equipment or components with similar or "current production" materials to restore the control system back to its original level of operation. Prior to replacement, Micro-Comm will identify the materials to be used, estimate labor to update software, records, drawings and software documentation. Update labor rate of \$90 hour will apply, any new or additional features that are available with this replacement equipment will be offered to the customer for an additional expense, parts plus labor to be quoted upon request.
4. This plan is void and does not apply if damage to equipment is caused by: flooding, high winds, tornado, hurricanes, freezing, fire, chemical damage, vandalism, improper Installation, improper maintenance, accident, alteration, abuse, or misuse, (by other than Micro-Comm, Inc. or it's designates).
5. Micro-Comm's sole obligation in case of its equipment failure will be to provide the service specified above. Micro-Comm will not be liable for any consequential or Incidental damage to system failures. Micro-Comm will not be liable for downtime, i.e. Overtime labor and travel to and from sites.
6. The plan is for Micro-Comm manufactured parts only. The following list is an example of Items; not covered: Non-Micro Comm PLC's, VFD's, BW probes, Omega sensors, chart recorders, chart pens, and paper, phase monitors, pump alternators. Flow meters, flow sensors, chemical feed and chemical monitoring equipment., computers, keyboards, monitors, Computer battery backup units, printers, routers, switches, external wiring, and cabling.

- 7 The Service Plan coverage provided by Micro-Comm, Inc. begins when current system warranty ends and provides coverage for one calendar year from warranty end date. Warranty end date will be extended when a signed copy of Service Plan and payment are received. Non-Warranty Customer warranty date will be assigned when a signed copy of Service Plan and payment has been received.

Micro-Comm's normal service rates are \$125/hour with a four-hour minimum on site service, plus \$50/hour travel time to and from job site, expenses (airfare, car rental, parking + 10%), \$200 overnight (meals and lodging), or \$50-day meals and expenses charge.

Software changes and remote site modifications can be purchased for \$750 per modification, plus \$125 per hour to bring drawings, records, and software up to date for requested changes, quotes will be supplied for requested changes. System upgrades and expansion work can be requested through our sales department.

Under the terms of this service plan, a reduced service rate is provided as part of coverage. \$90/hour with a four-hour minimum, plus \$40/hour travel time, expenses (airfare, car rental, parking + 10%), and \$200 overnight (meals and lodging), or \$50-day meals and expenses charge for onsite service. ISP router assistance, internet configuration, network router/switch assistance, and new or backup computer setup of equipment not provided by Micro-Comm will be billed at \$90/hour with a four-hour minimum will apply.

Software changes (adding outputs, inputs, flow meter change out, chemical pumps, control group modifications, station type changes) and remote site modifications will be included as part of service contract coverage. Customer will be charged \$90 per hour (4-hour minimum) to bring drawings, records, and software up to date for requested changes. Service Contract customers will receive a discount on new computers, software additions, and same version software updates completed by a Micro-Comm technician.

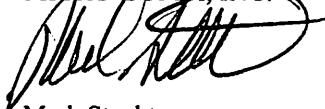

System upgrades and expansion work will receive a 10% cost savings through system service contract coverage. Discussion of these options and all service matters is available by contacting Mark Stockton, Service Manager, Micro-Comm, Inc. or our sales department at any time, convenient for you.

Should you choose to purchase/renew this service plan YOU MUST complete the form below, and return this letter to us with a check payable to Micro-Comm, Inc.

Customers that require an invoice number, please indicate requirement on the returned proposal with a P.O. Number and you will be invoiced as requested. Please write Service Plan number on your check and P.O. If you have any questions, feel free to contact me at any time.
