Re: Closure of street

Members of City Council:

Cumberland County Bank is requesting a closure of a city street on September 9, 2016. The hours that we are requesting to close the street is from 9AM-2PM. The requested street is 4<sup>th</sup> Street from West Avenue to Henry Street which is comprised of one city block. The other business located on that block is the District Attorney which has given approval for the closure. The access to their parking lot will be blocked during that time period.

The requested closure during this time period will be during a customer appreciation/tailgate party for customers of the bank and citizens of the area. We will be setting up several large tents and grills during this time period and serving lunch. All city employees are welcome to attend during the luncheon.

We appreciate the help and hard work of each city employee and members of the council. We look forward to several years ahead of teamwork and dedication to the citizens of Cumberland County and adjoining counties.
