City of Crossville
392 N Main St
Crossville, TN 38555

TDOT obtained property from us in the purchasing of right-a-ways for the 127 North Corridor. Due to this property loss we are attempting to purchase adjoining property for future parking. We are requesting a variance of soil testing of Joshua Sherrill's property, which in our opinion will have minimum impact on his property, due to the adjusting of property lines.

Eddie Davis
