

CHRISTOPHER MARTIN

Student of the Month

December 2022

"Christopher is always so caring and goes out of his way to be there for any student. He makes sure that everyone feels loved and that they have him as a friend. He does so well helping students that may not understand any assignments and offers his assistance when needed. His heart is so big and he makes the classroom a warm place."

"A COMMUNITY OF CHARACTER PARTNER"

DECEMBER IS "CARING" MONTH

"Caring is understanding what others go through, not wanting others to hurt, and doing what we can to reduce their suffering."
