REF: E/One Pump Pricing

Billy,

WASCON is pleased to offer the following proposal for you on the above referenced project. Please see the specifics below.

Proposal to Include the following

1- E/One 42"x42" Fiberglass Grinder Station

(1) 42"x42" Fiberglass Basin

- Solid Fiberglass Cover w/Mushroom Vent
- 1.25" Discharge Slide Face Quick Disconnect
- 1.25" Stainless Steel Female NPT Discharge

(1) E/One W-Series Grinder Pump

- Incoming Power: 1 Phase, 240 Volt
- Rated Power: 1HP
- Rated Speed: 1750 RPM
- Integral Controls

(1) 32' Supply Cables for Installation between the Grinder Station and Alarm Panel

(1) E/One Simplex Alarm Panel

- Incoming Power: 1 Phase, 240 Volt
- Visible and Audible Alarm

5-Year Factory Parts and Labor Warranty

PRICE \$3,477.11 PER Station

NOTES:

1. **Station Start Up is not included in the above pricing.**
2. Above Pricing is for EQUIPMENT AND MATERIALS ONLY...INSTALLATION IS NOT INCLUDED.
3. We will attempt to meet your expectations, so please discuss the job schedule at the time of order.
4. WASCON Standard Terms and Conditions Apply.
5. Pricing is valid for 1 year from the date above.
6. Freight and any applicable taxes or special permit fees **are not included** in the above pricing.
7. WASCON recommends redundant check valve is installed if the station is tied onto low pressure system.
8. Incoming voltage to Alarm Panel must be 240V, Single Phase coming from a 4-wire service (L1, L2, N, G). All Conduits must enter the Alarm Panel from Bottom. Side, top, or back entry will void warranty.

WASCON looks forward to working with you on this proposal. If you have any questions regarding this proposal, please feel free to contact us at any time!

Thanks,

James Parsons

Environment One Corporation (E/One) currently has a sole Distributor representative agreement with WASCON, Inc. in the State of Tennessee. E/One uses Distributors as the primary means to sell grinder pump stations and related equipment to customers and end users throughout the United States. WASCON is the only authorized representative for the sale and service of E/One grinder pump products in the State of Tennessee. There are no other sources in this territory to obtain E/One Factory grinder pump stations and related equipment.

The Sales and Service Departments of WASCON have been trained by E/One factory personnel to provide unparalleled sizing and application assistance, product sales, and after sale support/service on all E/One sewer system products.

WASCON has a complete inventory of E/One grinder pump stations, pumps, panels, and repair parts for E/One sewer system products in their stocking warehouses.

We would like to thank you for your interest in Environment One Sewer System products and extend our sincerest invitation for you to contact us if we can be of further assistance.

Regards,

Marvin Springer
