PROPERTY OWNERS' ASSOCIATION, INC.  
5050 Shoshone Loop  
Crossville, TN 38572

To: James Mayberry  
Mayor/ Crossville, TN

Dear Mr. Mayberry,

The Lake Tansi Village Property Owners Association respectfully requests consideration of some directional signs along and through Crossville that might ease the efforts of first time visitors in locating our Lake Tansi Village Resort.

We believe that just a few properly placed directional and distance markers, particularly once visitors have exited I-40 and where they would need to be turning through the City toward Tansi, would be significantly helpful.

Additionally, we are of the opinion that placement of notification of upcoming exits for Lake Tansi Village Resort to I-40 signs just east and west of Crossville would attract additional casual travelers to both Crossville and our Resort, and would better serve those who had already planned to visit us.

In hope that you find agreement with the benefits of these requests and suggestions, we ask that you relay them to our City Council.

Appreciatively Awaiting Your Response,

Farrell Odom  
  
Lake Tansi Property Owners' Association
