Dear Mayor and Council:

The Rotary Foundation of Cumberland County, TN, Inc. proposes that a free standing clock, with a face of 24" in diameter or larger, be installed on the Crossville Depot property. We would like to have a sign attached stating that the City of Crossville, DCI, and the Rotary Clubs of Cumberland County be acknowledged in some fashion as contributing to the clock. The Foundation will contribute \$3,500 towards the cost of purchase and installation.

We will be happy to meet with the interested parties to finalize the details.

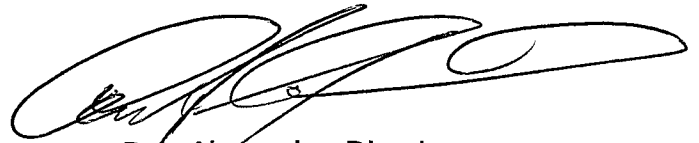

Sincerely,

William E. Collins, President
