RE: Request for Utility Main Line Extension - 0 Tenth/Knight Street

Dear City Clerk,

My name is Chase Eichner, and I am the owner of IKE Construction. I am currently under contract to purchase property located at 0 Tenth/Knight Street in Crossville, Tennessee.

The property in question includes the following parcels: Control Map 113C, Group C, Parcels 001.00, 002.00, and 003.00. With the intention of developing multiple (possibly 3-5) multi-family housing units on this site, I am writing to formally request a main line extension of utilities to serve the property.

Please let me know the process and any required documentation or next steps to move forward with this request. I am happy to provide any additional information as needed.

Thank you for your time and attention to this matter. I look forward to working with the City of Crossville on this project.

Sincerely,

Chase Eichner

Owner, IKE Construction
