

To Whom it May Concern,

As you are aware, beginning 07/01/2016, we will be able to sell wine in our Kroger Store. I am in the beginning stages of compiling all documentation that will be needed for the State Wine Application. Pursuant to T.C.A. 57-3-806, we are required to get a signed certificate from the county executive. Here is an excerpt of the law:

57-3-806.

(a) As a condition precedent to the issuance of a license under § 57-3-803, every applicant for a license under that section shall submit with the application to the commission a certificate signed by the county executive or chair of the county commission in which the licensed premises are to be located if outside the corporate limits of a municipality or, if within a municipality, from the mayor or a majority of the commission, city council, or legislative body of the municipality, by whatsoever name designated, or if the municipality has no mayor, from the highest executive of the municipality. The issuance of a certificate shall not be conditioned on the residency of the applicant, including, but not limited to, requiring the applicant to live within the county or municipality, or additional conditions not required by this section.

I am requesting that the attached document be signed and returned to me in the enclosed self addressed envelope. The date that you enter is not time sensitive, so I appreciate your quick response.
