One last thing if we are unable to conduct Live Music by the 29th, we would like a contingency date June 12th.

We will have to combine this with the budget work session on the 14th and add in a special called meeting to address it.

Greg, Thank you again for your time to talk about path forward and COVID-19. As you are aware Live Music is not permitted until Phase 3 of the Tennessee Pledge Re-Opening Plan. That is if everything goes well between now and May 28th. Grinder House is planning on reopening Live Music with a small block party and respectfully request the portions of two city street be closed for this event. Attached please find a aerial photo of the proposed closures with hopes we can get this on the City Council Agenda for the session require to approve for 5-29-2020. The event would be Friday Night May 5th 2020 from 5pm to 10pm.

Kind regards,
Asa Reese and Angela Chastain
