Engineering	Projects Report	November 8, 2017
Enameerma	Projects Report	Novellibel 6, 2017

	Engineering Projects Report November 8, 2017	
Project	Current Status	Dates
127 South Utility Relocation	(No Change)The TDOT bid letting has been placed on hold by the Commissioner of TDOT.	Onnelation
Safe Routes to Schools Grant	One Item remains on the punch list. The City may rework 80 feet of curb and gutter and or install a catch basin which was not on the original plans.	Completion is
	basin which was not on the original plans.	Forthcoming
Army Corp Study	The City is requesting a refund for the unspent monies.	
Northwest Connector Phase 3	(No Change) TDOT has approved all driveways and the Engineer is finalizing the revision. We hope to be	Bid Letting
	acquiring property again soon. The bid letting has been changed to December 2018. We have been	December 2018
	released to close on the old Ryan's property acquisition, so the property can be sold by the bank (current owner).	2010
Northwest Connector Phase 2	(Np Change)TDOT is starting the environmental phase. The City should be released in December for	Bid Letting
norumost connector i nace z	ROW acquisition.	December
Davida Cidavalla	This present is an heald with the Transportation Alternatives Drawner 20/00 great is apprecial and arised	2018 Award Bid
Downtown Sidewalks	This project is on hold until the Transportation Alternatives Program 80/20 grant is approved or denied.	February
		2020
Brookhaven Subdivision and	The Engineers are updating the plans.	Construction
Highland Lane Waterline Upgrade		Start Spring 2018
Holiday Drive, Lantana Estates and	City crews have cleaned all culverts and will be starting on the remainder of the clean up items.	
Fairyland Acres Waterline		
Replacement	(No Change)Plans are being finalized and a schedule is being developed by the Engineer.	
Southbend Waterline Replacement	(No Change)Plans are being infalized and a schedule is being developed by the Engineer.	
Southbend Waterline Replacement		
Bridges for Trails at Meadow Park	(No Change)The Engineering Department is surveying Meadow Creek for a bridge crossing and	
	acquiring permits for the bridges for the Soldiers Beach Trail.	
Quail Hollow Court	(No Change) The Engineering Department is working with property owners on encroachments onto the	
	City's airport property. The process of selling the portions of the property to the neighboring property	
	owners is being discussed. There is a long and lengthy Federal process that must be followed and the	
	City Council will be updated on the process in the coming months. The buyers met and will be paying collectively for the first appraisal. The City is awaiting the payment.	
Marietta Street and Airport Timber	This project is complete.	Completed
Harvest	This project is complete.	
Site Development Grant	The plans are 99% complete and we are awaiting the site certification grant so we can move forward with	Project
·	the plans review.	Finished
		November 2017
Soldiers Beach	City Crews Have installed the sand and seeded the side areas. This project is complete.	Complete
2017 Water Treatment Plant	The Contractor has been given a notice to proceed on November 27th.	Construction
2017 Water Treatment Plant Upgrades	The Contractor has been given a notice to proceed on November 27th.	Complete
	The Contractor has been given a notice to proceed on November 27th.	Complete May 26,
	The Contractor has been given a notice to proceed on November 27th. The Engineer has started the NEPA process.	Complete
