Approval of contract amendment with Community Development Partners, LLC for 2018 TDOT TAP Grant

SUMMARY: Additional administrative services are required to acquire additional easements for the downtown sidewalk project. Easements were purchased previously for the project, but TDOT is requiring that they be re-acquired due to a change in the project, most specifically the project number listed on the easement document. The additional services include assistance in securing 34 permanent and construction easements, compiling case files, and final submission to ROW Division.

An additional \$5,000 is requested in the amendment.
