Approval to repair and replace Avgas Dispenser-Crossville Memorial Airport

SUMMARY: The self-serve dispenser on the Avgas is broken and outdated. Rebel Service was called to trouble shoot and have expensed a total of \$5,250 (Invoice 7210) and discovered the dispenser must be rebuilt or replaced. The replacement cost of only the outdated self-serve dispenser is \$11,646.72. The replacement cost for a completely new self-service dispenser unit which also includes the fuel pump and meter is \$10,902.36 (Proposal 5941). Staff requests approval to replace the unit in the amount of \$10,902.36 and pay the repair bill in the amount of \$5,250.
